Restricted Stock Purchase Agreement

The Move Social Inc.

Purchase Date: _____

This Restricted Stock Purchase Agreement (the "Agreement") is entered into between:

- **The Move Social Inc.**, a Delaware corporation (the "Company")
- **Dana Vines**, an individual (the "Purchaser")

This award is granted under and subject to the terms of the Company's Equity Incentive Plan (the "Plan"). In the event of any conflict between this Agreement and the Plan, the Plan shall govern, except that Section 7 (Change of Control) of this Agreement shall control over Section 8.2 of the Plan with respect to the treatment of Shares in a Change of Control transaction.

---

1. Purchase of Shares

Field	Value
Purchaser	Dana Vines
Total Shares	400,000 shares of Class B Common Stock (non-voting)
Purchase Price Per Share	$0.00001 (par value)
Aggregate Purchase Price	$4.00
Purchase Date	_____
Vesting Commencement Date	_____
Stock Certificate / Book Entry No.	_____

The Purchaser hereby purchases, and the Company hereby sells to the Purchaser, 400,000 shares of Class B Common Stock (non-voting) of the Company (the "Shares"), at a purchase price of $0.00001 per share, for an aggregate purchase price of $4.00, subject to the vesting conditions and restrictions set forth in this Agreement.

---

2. Vesting Schedule

The Shares shall vest according to the following schedule, subject to the Purchaser's continued service to the Company:

Milestone	Shares Vested	Cumulative
1st anniversary of Vesting Commencement Date	25% of total shares (100,000)	25%
Each month thereafter for 36 months	1/36th of remaining unvested shares (~8,333) per month*	25% → 100%

* Any fractional shares resulting from monthly vesting calculations shall accumulate and vest in full on the final vesting date (the 48th month anniversary of the Vesting Commencement Date).

Cliff: No Shares vest before the first anniversary of the Vesting Commencement Date. If the Purchaser's service terminates before the first anniversary, all Shares are subject to the Company's Repurchase Right under Section 3.

Vesting requires continued service. Vesting ceases immediately upon termination of the Purchaser's Service (as defined in Section 5.5) relationship with the Company.

---

3. Company Repurchase Right

3.1 Automatic Forfeiture of Unvested Shares

Upon termination of the Purchaser's Service for any reason (whether voluntary, involuntary, for Cause, or without Cause), all Unvested Shares shall be automatically forfeited to the Company and repurchased at the original purchase price paid per share ($0.00001 per share), without any action required by the Company. The Company shall pay the aggregate repurchase price for such forfeited Shares within **thirty (30) days** following the date of termination.

3.2 Termination for Cause

Upon termination for Cause, all **Unvested** Shares are immediately forfeited to the Company pursuant to Section 3.1. For the avoidance of doubt, vested Shares shall be retained by the Purchaser upon any termination, including termination for Cause, subject to any applicable transfer restrictions under Section 6.

3.3 Lapse of Forfeiture Right

The Company's forfeiture right shall lapse with respect to each Share as it vests according to the vesting schedule in Section 2.

---

4. Section 83(b) Election

4.1 Election

The Purchaser acknowledges that filing a Section 83(b) election with the Internal Revenue Service within thirty (30) days of the Purchase Date is strongly recommended. The 83(b) election allows the Purchaser to recognize taxable income (if any) at the time of purchase rather than as Shares vest. Because the purchase price equals par value and the Company is pre-revenue with no outside funding, the taxable spread at the time of purchase is expected to be negligible.

4.2 Company Backstop

The Company shall provide the Purchaser with:

(a) A pre-filled Section 83(b) election form (provided as a separate document);

(b) A calendar reminder twenty (20) days before the thirty (30) day filing deadline;

(c) Written instructions for filing the 83(b) election with the Internal Revenue Service via certified mail.

4.3 Proof of Filing

The Purchaser shall deliver to the Company a copy of the filed 83(b) election and the certified mail receipt within thirty-five (35) days of the Purchase Date. Failure to provide proof of filing shall not affect the validity of the share issuance but shall be noted in the Company's records.

---

5. Termination of Service

5.1 Voluntary Resignation or Termination Without Cause

If the Purchaser's Service terminates for any reason other than Cause, death, or disability:

(a) Vested Shares are retained by the Purchaser;

(b) Unvested Shares are automatically forfeited pursuant to Section 3.1.

5.2 Termination for Cause

If the Purchaser's Service is terminated for Cause:

(a) Vested Shares are retained by the Purchaser, subject to any applicable transfer restrictions under Section 6;

(b) Unvested Shares are automatically forfeited pursuant to Section 3.1.

5.3 Death or Disability

If the Purchaser's Service terminates due to death or disability, vested Shares are retained by the Purchaser (or the Purchaser's estate). Unvested Shares are automatically forfeited pursuant to Section 3.1.

5.4 Definition of Cause

For purposes of this Agreement, "Cause" means (a) conviction of, or plea of guilty or no contest to, a felony or any crime involving fraud, dishonesty, or moral turpitude; (b) willful misconduct or gross negligence in the performance of duties; (c) material breach of this Agreement, the CIIA, or any other agreement with the Company that remains uncured for thirty (30) days after written notice; or (d) willful failure to perform duties after written notice and a reasonable cure period.

5.5 Definition of Service

For purposes of this Agreement, "Service" means the Purchaser's service to the Company as an employee, officer, director, consultant, or advisor, whether pursuant to an employment agreement, consulting agreement, or other service arrangement. A change in the Purchaser's capacity (for example, from consultant to employee) shall not constitute a termination of Service, and vesting shall continue uninterrupted, provided there is no gap in Service of more than thirty (30) days.

---

6. Restrictions on Transfer

6.1 Non-Transferability

Unvested Shares may not be sold, transferred, pledged, assigned, or otherwise alienated, except by will or the laws of descent and distribution. Vested Shares shall be subject to such transfer restrictions as the Company may impose, including but not limited to a right of first refusal in favor of the Company.

6.2 Non-Voting Shares

The Purchaser acknowledges that all Shares are Class B Common Stock, which carries no voting rights. The Purchaser shall have no right to vote on any matter submitted to stockholders of the Company, except as may be required by applicable law. Class B Common Stock has identical economic rights (dividends, distributions, liquidation proceeds) to Class A Common Stock on a per-share basis.

6.3 Stock Legend

All certificates or book entries representing the Shares shall bear the following legend (or substantially similar language):

> *"THE SHARES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO A RESTRICTED STOCK PURCHASE AGREEMENT BETWEEN THE HOLDER AND THE MOVE SOCIAL INC. DATED AS OF [PURCHASE DATE], INCLUDING VESTING CONDITIONS, FORFEITURE PROVISIONS, AND TRANSFER RESTRICTIONS. A COPY OF SUCH AGREEMENT IS ON FILE AT THE PRINCIPAL OFFICE OF THE COMPANY. THE SHARES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933 AND MAY NOT BE SOLD, TRANSFERRED, OR OTHERWISE DISPOSED OF WITHOUT REGISTRATION OR AN APPLICABLE EXEMPTION FROM REGISTRATION."*

---

7. Change of Control

A "Change of Control" means (a) the sale of all or substantially all of the assets of the Company; (b) a merger, consolidation, or other business combination in which the stockholders of the Company immediately prior to such transaction hold less than 50% of the voting power of the surviving entity; or (c) a transaction or series of related transactions in which any person or group acquires more than 50% of the outstanding voting stock of the Company.

7.1 Floor Payout

In any Change of Control, the Purchaser shall receive, at minimum, a cash payment equal to the positive difference (if any) between (i) the per-share consideration paid to stockholders in the transaction and (ii) the original purchase price per share, multiplied by the number of vested Shares (the "Floor Payment"). The Floor Payment shall be made at the closing of the Change of Control transaction and shall not be subject to or reduced by any liquidation preference, participation right, or other priority payment owed to holders of preferred stock or any other class of securities. This provision is subject to and consistent with the acquisition carve-out set forth in Section 2.8 of the Founders' Agreement, which provides that no less than ten percent (10%) of the aggregate consideration payable to stockholders in any Change of Control transaction shall be allocated to holders of vested Class B Common Stock on a pro rata basis, prior to the application of any liquidation preference.

7.2 Pari Passu Treatment

Shares of Class B Common Stock issued under this Agreement shall be treated on a per-share basis identically to shares of Class A Common Stock in any Change of Control transaction. No liquidation preference or participation right shall reduce the per-share consideration payable to the Purchaser below the per-share consideration payable to holders of Class A Common Stock. In the event that the Floor Payout under Section 7.1 would result in a higher per-share payment to the Purchaser than the per-share consideration payable to holders of Class A Common Stock, the Purchaser shall receive the **greater** of (a) the per-share Floor Payout and (b) the per-share pari passu consideration.

7.3 Single-Trigger Acceleration

Unless the Unvested Shares are assumed or substituted by the acquiring entity pursuant to Section 7.4, one hundred percent (100%) of the then-Unvested Shares shall automatically vest in full immediately prior to the closing of a Change of Control.

7.4 Double-Trigger Acceleration (Assumed or Substituted Shares)

If the Unvested Shares are assumed or substituted by the acquiring entity in connection with a Change of Control (such that single-trigger acceleration under Section 7.3 does not apply), and the Purchaser's Service is terminated without Cause or the Purchaser resigns for Good Reason (as defined below) within twelve (12) months following the closing of the Change of Control, then one hundred percent (100%) of the then-Unvested Shares shall immediately vest in full.

For purposes of this Section, "Good Reason" means, without the Purchaser's written consent: (a) a material diminution in the Purchaser's responsibilities, authority, or duties; (b) a material reduction in the Purchaser's base compensation; or (c) a requirement that the Purchaser relocate more than fifty (50) miles from the Purchaser's then-current principal work location. The Purchaser must provide written notice to the Company within thirty (30) days of the event constituting Good Reason, and the Company shall have thirty (30) days to cure.

---

8. Tax Matters

8.1 Tax Responsibility

The Purchaser is solely responsible for all tax consequences arising from the purchase, vesting, and disposition of the Shares. The Company makes no representations regarding the tax treatment of this purchase.

8.2 Tax Treatment

The Purchaser acknowledges that:

(a) If the Purchaser files a valid Section 83(b) election within thirty (30) days of the Purchase Date, the taxable income is measured at the time of purchase (the difference between fair market value and purchase price, which is expected to be negligible for a pre-revenue, pre-funding company);

(b) Without a Section 83(b) election, the Purchaser will recognize ordinary income as Shares vest, equal to the fair market value of the vesting Shares at the time of vesting minus the purchase price;

(c) With a valid 83(b) election, subsequent appreciation above the value at purchase will be taxed as capital gain upon sale, with long-term capital gains rates applying if the Shares are held for more than one (1) year from the Purchase Date.

8.3 Withholding

The Company shall have the right to withhold from any issuance or transfer of Shares any amounts necessary to satisfy applicable tax withholding obligations.

---

9. Company Representations

The Company represents that:

(a) The Shares have been duly authorized and reserved for issuance under the Plan;

(b) Upon payment of the purchase price, the Shares will be validly issued, fully paid, and nonassessable.

---

10. Purchaser Representations

The Purchaser represents that:

(a) The Purchaser has received, read, and understands the Plan and this Agreement;

(b) The Purchaser has had the opportunity to consult with a tax advisor regarding the tax consequences of this purchase and the Section 83(b) election;

(c) The Shares are being acquired for investment purposes and not with a view toward distribution or resale;

(d) The Purchaser has executed, or will execute concurrently with this Agreement, the Company's standard Confidential Information and Inventions Assignment Agreement (CIIA).

---

11. Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to its conflict of laws principles.

---

12. Entire Agreement

This Agreement, the Plan, the Confidential Information and Inventions Assignment Agreement between the Company and the Purchaser (the "CIIA"), and the Independent Contractor Agreement between the Company and the Purchaser constitute the entire agreement between the parties with respect to the subject matter hereof.

---

13. Dispute Resolution

13.1 Mediation

Any dispute arising out of or relating to this Agreement, or the breach, termination, or validity thereof, shall first be submitted to mandatory mediation. The parties shall select a mutually agreeable mediator within ten (10) days of either party's written request for mediation. The mediation shall be completed within thirty (30) days of the mediator's appointment.

13.2 Binding Arbitration

If mediation is unsuccessful, the dispute shall be submitted to binding arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules. The arbitration shall be conducted in the State of Delaware by a single arbitrator selected in accordance with the AAA rules. The arbitrator's decision shall be final and binding and may be entered as a judgment in any court of competent jurisdiction.

13.3 Arbitration Costs

The Company shall bear all arbitration fees, arbitrator compensation, and administrative costs that exceed the amount the Purchaser would have paid to file an equivalent action in state court in the State of Delaware. Each party shall bear its own attorneys' fees unless the arbitrator determines that one party's claims or defenses were frivolous, in which case the arbitrator may award reasonable attorneys' fees to the prevailing party.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the Purchase Date.
